MARYVILLE, MISSOURI, WEDNESDAY, OCT. 28, 1914.

NO. 126.

## IS GETTING WARM

POLITICAL PARTIES MAKE FINAL ROUNDS THIS WEEK.

## CLOSE CAMPAIGN HERE

Maryville Is the Seat of Progressive Rally Tomorrow, Democratic Friday and Republican Saturday.

### Where Democrats Go Tomorrow.

Clyde ..... 10 a. m.  
Conception ..... 11 a. m.  
Conception Junction ..... Noon  
Gulford ..... 5 p. m.  
Barnard ..... 7:30 p. m.

As the time of the general election next Tuesday draws closer and closer, the candidates of the various political parties are becoming more and more anxious and are hustling more and more as the days speed by for every available vote in Nodaway county. Several speeches are being delivered daily over the county this week by the Democrats, Republicans and Progressives alike, while the minor parties are making an effort for a share of the suffrage.

The Democrats will close their three days "whirlwind" campaign over the county with a speaking at Barnard tomorrow night, then will await the big rally in Maryville Friday afternoon. The first day's round-up of the Democrats yesterday proved quite successful in attendance and in enthusiasm manifested by the "herders" and voters alike.

Today the political caravan started away from Maryville, as yesterday, with cheers, the band playing, and banners and pennants flying. Every town in southwest and west Nodaway county will be visited today by the Democrats. The first stop was made at Graham, it being the only one this morning. Noon was spent in Skidmore and Quitman, Dawson, Elmo and Kearney will be visited this afternoon by the Wilsonites if everything goes all right. The second day's tour will end with a grand hurrah at Burlington Junction tonight.

The southeastern part of the county will be visited tomorrow, which will include every town in the county with in the three days except Bedison and Arke.

Maryville will be the seat of the political climax of each party this week, with the Progressives leading and the Republicans closing the program. Each has secured several notable speakers for the occasion, and a battle royal in words—hot ones at that—is promised here the three last afternoons of this week.

The Progressives have scheduled a rally at the court house, beginning at 1:30 o'clock tomorrow afternoon with Joseph Frontron of Kansas City and N. Sisson of this city as the principal speakers. Other local speakers will perhaps join in on minor keys.

The Democrats have secured as principal speakers for their closing rally here at 1 o'clock Friday afternoon such notables as A. M. Dockery, formerly governor of Missouri, now third assistant postmaster general at Washington, and Charles F. Booher of Savannah, Congressman from this district. The meeting will be held at the court house. Every candidate and a number of local speakers of the Democratic faith also will be in the front row and on the platform to do duty for the cause.

The Republicans have the pick of days, however, and will probably draw a large crowd, on account of so many farmers being in the city on Saturdays. They, too, will hold their political rally at the court house, beginning at 1:30 o'clock. Their principal speakers will be Thomas J. Atkins, candidate for United States senator, and Judge O. J. Pace of Illinois, speaking under the auspices of the national Republican committee, and Merrill E. Otis of St. Joseph, candidate for congress from this district on the Republican ticket.

The Republicans concluded their county campaign yesterday with a rally at Burlington Junction in the afternoon.

### RESUMES LANDSCAPE WORK.

State Expert to Improve Illinois and Maryville Normal Grounds.

H. F. Major, assistant professor of landscape gardening at the state college of agriculture, has left to supervise the completion of a number of large grounds which he has been developing during the last three years. These are a large country estate of several thousand acres in central Illinois, a park system for a city in Illinois and the Maryville Normal school grounds at Maryville. Plans for the last landscape were finished last year and the work is under way now.—University-Missourian.

### Attends Sale at Hopkins.

A. D. Saunders went to Hopkins yesterday to attend the closing out sale of Joseph Galey. The Galey family is preparing to move to Florida.

## LAUDS STONE AND BOOHER

Missouri Has Strong Men in Congress, Washington Writer Says.

Praise to the fourteen Missourians in the house and senate of congress among them, Senator William J. Stone and Congressman Charles F. Booher of this district, is given in an article in the St. Louis Republic of last Sunday. It is by W. J. Cochran, recognized everywhere as one of the ablest writers and most expert political observers in the country.

To Senator Stone and Congressman Booher and the Missouri delegation in general he pays the following compliments:

United States Senator William J. Stone and fourteen members of the Missouri delegation in the national house of representatives—all Democrats—have been renominated and will submit their records to their Missouri constituents at the election, Tuesday, November 3.

They have all kept the faith. No other delegation in congress has shown greater loyalty to President Wilson. No other delegation may truthfully claim to have a better balanced personnel or a more industrious membership.

Missourians may well point with pride to the men who represent them in the national legislature. They have honored their state and have been honored by the associates, the greatest lawmaking body on either hemisphere.

Only a glance at the senate and house in action is sufficient to convince even the most casual observer that Missouri statesmen form a decidedly solid part of the backbone of the Wilson administration.

At this particular time the task of passing on questions of international moment is a delicate one. That Senator Stone has been an able conditor to the president and the secretary of state is attested by the praise both have voluntarily showered upon him in recent authorized statements.

But difficult as is his diplomatic commission, the senior Missouri senator's influence is not confined to the committee of which he is the goes all right. The second day's tour will end with a grand hurrah at Burlington Junction tonight.

No one in either branch of congress is held in higher regard by President Wilson than Senator Stone, nor is this admiration limited to the chief executive. Other senators, irrespective of party affiliation, frankly place the Missourian among the big-brained, broad-gauged statesmen of the body. He is always found in the forefront of every legislative battle and his ability is respected as much by the opposition as it is by his Democratic colleagues.

In reviewing the work of the Missouri senators in the house nominated for re-election, it would be unfair to single out any one for special praise for they all have displayed marked ability and been faithful to duty in one of the most trying periods in the history of the nation.

Charles F. Booher of the fourth district has a perfect attendance record. He is always on the job and is a vigorous champion of the administration, a consistent advocate of constructive laws and a determined fighter for legislation beneficial to his constituency.

He has grown with experience and is rated among the strong members of the house. As a member of the committee on rivers and harbors he has rendered excellent service to the Mississippi and Missouri valleys.

With Election Week Off, Officials Desert Work for Stump.

The court house was all but deserted yesterday by county officials. Only deputies and clerks were left to care for the county business, while the "bosses" were off touring the county in political caravans and haggling for every vote that could be mustered. Though there are ten officials in the court house, the official but one could be found in a visit through the institution yesterday afternoon.

Where had they gone? To various places. The Republican officials, whether candidates or not, were in the north part of the county, "hooping" or "up" for their fellow candidates. The Democrats were also in the northland, while several were out of the offices on business perhaps, but anyway, Rathbun, circuit court clerk.

Elmo Couple Would Wed.

A license to marry has been issued in the office of the recorder of deeds to Basil H. Livengood, 22 years old, and Mary Lee Lamar, 18 years old, of Elmo.

Ladies Especially Invited

## WOULD 'COP' PRIZE

NORMAL ATHLETICS WILL COMPETE FOR STATE HONORS

## DEVELOP BASKET BALL

Tourney, Now On, Shows Good Material—Base Ball and Track Events Also Interests School.

The prospects in every line of athletic endeavor at the Maryville Normal school this year seem brighter than they have been for a long time. The school, as a member of the Missouri State Inter-Collegiate Athletic association, will contest in basket ball, base ball and track events.

The Maryville Normal is rapidly coming to be a leader in athletics in this part of the state, and the prospects for some state championships during the coming year are very good.

Eighteen of the students have now qualified for the first and second basketball teams. They are: Quinn, Vandersloot, Leech, Scarlett, Scott, Powell, Ham, Neil, Livengood, Lyle, Brittain, Woodward, Ford, Seymour, Wells and Gooden. Two other basketball men, McClintock and Noblett, will enter school at the beginning of next quarter and will try for berths on the regular team. From these players, Coach Hanson will choose the team to battle for the green and white.

The tournament which now is in progress will end November 15, and some time during the week following the first team will be selected. A second team will also be chosen, and the real work of the season will start, and preparations for the big games will commence.

The first squad will eventually include about twelve men. Seven men will be taken on the trips, with the exception of some of the longer trips, when eight men will be taken.

The schedules for basket ball and base ball will be obtained by Coach Hanson at the meeting of the State Inter-Collegiate association at Kansas City Saturday, November 28. The schools with which the Normal school will contest are Kirksville normal, Warrensburg normal, Springfield normal, Central college, Drury college, Missouri Wesleyan college, Tarkio college and Kansas City university.

Coach Hanson has also written to Coach Brewer of the University of Missouri for a game with the university team, to be played at Maryville. Coach Hanson says that the prospects for the basket ball team are of the brightest, and that the aim of the school and team will be to "cop" the state championships.

The prospects for the base ball team in the spring are also of the best. Ham, Bird, Brittain, Adams, Noblett, Long, Dyer, Vaughn, Wogan and Miller, all mainstays of the last year's team, will be in school. With this nucleus to work from, it is thought that one of the greatest teams in the history of the school will be developed.

The state track meet will be held at Tarkio college next spring. The Normal school will send a representative delegation to the meet in hopes of bringing back some honors.

Among the men who will probably be point getters are Ryan in the high jump, Quinn in the broad jump, 220 and 440-yard dashes, and Willson in the pole vault.

A number of other promising track men will enter during the school year.

Visiting at Hopkins.

Mrs. Tillie Ciley of Gilman City is visiting at Hopkins, the guest of Miss Cetta Sturgeon.

## W. R. C. CONVENTION OPENS

Twentieth Annual District Meeting in Session at L. O. O. F. Hall.

The twentieth annual convention of district No. 1, Women's Relief Corps opened in this city at noon today. The sessions are held in the Odd Fellows hall. Luncheon was served at the hall at noon today in honor of the visitors, and the afternoon devoted to ritualistic work.

Tonight a general reception for the delegates, W. R. C. members and the members of the G. A. R. and their wives will be given.

Mrs. R. S. Braniger, district president, will give the address of welcome and will have charge of the evening's program. Vocal numbers will be presented by Mrs. F. P. Robinson, Mrs. Charles Moore, Mrs. Rolla Alexander, and piano and violin numbers by Miss Hilda Lahr and Miss Edith Wilson. Addresses will be given by members of the G. A. R. and the visiting delegates. After the program a supper will be served.

At noon tomorrow, in honor of their guests, the members of the corps will give a dinner for the visitors and members. The morning session will be devoted to routine work, and the afternoon to the election of officers and district business.

Among the delegates attending are Mrs. Mary A. Lingle and Mrs. Dora V. Ulrich of Cameron, Miss Myrtle V. Adams of Bedford, Ia.; Mrs. Cornell of Bethany, Mrs. J. D. V. Patch, Mrs. C. J. Borden, Mrs. J. T. Warburton, Mrs. Hattie Kelley, Mrs. Martha Forey, Mrs. Ira Swartout, Mrs. J. T. Main, Mrs. Daniel Dawson, Mrs. W. E. Jamison, Mrs. D. N. Mabie, Mrs. Florence Foster, Mrs. Lyde Walker and Miss Lizzie Ohler of St. Joseph.

### PIRATES AND SLUGGERS WIN.

Van Cleave High School Team Continues Lead in Basket Ball Tourney.

One of the best and closest games of the high school basket ball tournament was played yesterday afternoon in the high school gymnasium. The Pirates were again victorious, winning from the Athletics by a close score of 20 to 19. The Athletics led 9 to 5 at the end of the first half. The last half was close and exciting all the way through, the lead alternating between the two teams every few moments. The game was not decided until the last minute of play.

In the other game played yesterday the Modern Sluggers defeated the Dodgers 21 to 9. Summary of the games:

Modern Sluggers—Field goals, Strader 1, Fleming 6, Adie 2; free throws, Strader 3.

Dodgers—Field goals, Groppe 2, Nixon 1; free throws, B. Harris 3.

Pirates—Field goals, Harris 5, Van Cleave 2, Sealeman 1, Frank 1; free throws, Harris 1, Van Cleave 1.

Athletics—Field goals, Gray 3, Scott 2; free throws, Scott 3.

The standing of the teams:

	Won.	Lost
Pirates	4	0
Athletics	2	2
Modern Sluggers	2	2
Dodgers	1	3
Ruffians	1	3

NOTICE—TOGGERY SHOP WINDS.

## TO BOOST NORMAL

MANY OF THE FACULTY ON STATE MEET PROGRAM.

## PLAN BANQUET THERE

Also Arrange Reception During Teachers' Session in St. Joseph Next Month—Public Tutors Go.

The Maryville State Normal, the Maryville Conservatory of Music and the public grade and high schools of this city and Nodaway county will be well represented at the fifty-third annual meeting of the Missouri State Teachers' association, which will be held in St. Joseph, November 12, 13 and 14. The Normal will make an especially strong effort toward boosting the state institution here and to impress on the 5,000 teachers who are expected there, the importance of the school in this city.

Several of the Normal faculty will be on the program for addresses and readings, while a reception and banquet also will be given by them. The Normal will maintain headquarters at the Robidoux hotel, and distribute information relative to the school. A number of students of the school also are planning to attend, as the Normal will be dismissed Friday, November 13.

The musical conservatory will be represented by Prof. H. B. Schuler and perhaps by members of the Glee club and several of the students.

Prof. W. M. Westbrook, superintendent of the Maryville schools, and County School Superintendent W. M. Oakerson also have announced that every public grade and high school in Nodaway county will be dismissed Thursday and Friday, November 12 and 13, to permit the teachers and others to attend the state meeting.

As there are approximately 250 teachers in the county, including the twenty-five in Maryville, it is believed this county will be represented at the state convention by probably as many tutors as any county in Missouri, unless it is Jackson and Buchanan counties, in which Kansas City and St. Joseph are located. Each teacher will be paid for the two days vacation of school.

The general sessions of the convention will be in the auditorium with several minor and executive meetings in the Robidoux hotel and the several churches of that city. The Commerce club of St. Joseph has appropriated 1,600 for the care and entertainment of those who attend. Free sight-seeing trips by trolley also are planned through the packing house, stock yards, factory and business section of St. Joseph for the benefit of the teachers.

The Normal school headquarters will be in parlor A at the Robidoux. The general reception by the school will be given from 3 to 6 o'clock Friday afternoon, November 13, at the headquarters. The banquet is planned for 6 o'clock, or immediately after the reception.

Prof. Ira Richardson, president of the Normal, is contemplating the matter of taking a number of students to the state meeting on Friday, November 13. If enough of them will go, a special car over the Burlington may be chartered. Plans to have music for the occasion also are under way.

Teachers of the Normal and the public schools of this county have been placed on the three days' program as follows:

8:20 p. m. Friday, at the auditorium—Report of committee on constitutional amendments relating to educational advancement, by Prof. Ira Richardson, chairman.

2:00 p. m. Thursday, at Robidoux—"School Credit for Home Work," Miss Hettie M. Anthony of the Normal, at the auxiliary meeting of the Missouri Association of Household Arts and Sciences.

2:00 p. m. Friday, at White Temple church—"Some Rural School Problems from the Teacher's Viewpoint," by Prof. W. M. Oakerson.

3:00 p. m. Friday, at White Temple church—"The Relation of Rural Schools to the Needs of the People," discussion by Mrs. Mark Hiles, Burlington Junction.

2:00 p. m. Thursday, at Robidoux—"Desirable Changes in the Present Organization of the Public Schools," discussion by M. G. Neale of the Normal and E. R. Utter, high school principal.

2:00 p. m. Friday, at First Christian church—"The High School and Its Equipment, the Social Center of a Community," by W. M. Westbrook, city school superintendent.

3:00 p. m. Friday (in Robidoux hotel)—"The Development of Personality as a Part of the Training of Teachers," by Prof. Ira Richardson of the Normal.

In many other ways the Normal will be represented at the meeting next month. E. L. Harrington, now taking a post-graduate course at Harvard college on a leave of absence from the Normal, is president of the Missouri Society of Teachers of Mathematics and Science.

C. A. Hawkins is a member of the executive committee. Miss Beulah Bruner is a member of the resolutions committee and represents the fourth congressional district.

chartered. Plans to have music for the occasion also are under way.

C. A. Hawkins is a member of the executive committee. Miss Beulah Bruner is a member of the resolutions committee and represents the fourth congressional district.

PLAN TO TRAIN YOUTHS.

State School Will Give Short Course Next January.

A large attendance of boys and girls from every county in Missouri is urged in a letter received by County School Superintendent W. M. Oakerson from R. S. Besse, who is in charge of the boys' and girls' short course at the University of Missouri. It will be held during farmers' week at Columbia, which this time will be about the middle of next January.

While no provision for paying the expenses of the attendants is made by the various counties, it is believed many will take advantage of this educational opportunity. There were sixty-five boys alone in the last course, while double that number is desired this time.

Contests in corn and stock judging for the boys and sewing and canning contests for the girls are planned, in addition to lectures and demonstrations by university instructors.

STATE PRESBYTERIANS MEET.

Missouri Churches Add 138,019 Members the Last Seven Years.

The 1914 annual session of the Presbyterian synod of Missouri convened in St. Joseph yesterday for a week's duration. The Rev. S. D. Harkness, pastor of the First Presbyterian church here, will not attend as it is not of the same branch as those included in the Missouri synod.

John Henderson Miller of Kansas City, clerk of the synod of Missouri, has gathered statistics regarding the growth of the Presbyterian church in Missouri. The object was to ascertain whether there has been any growth by the synod since the union effected between this branch of the Presbyterian faith and the Cumberland church.

At the time of the union the two synods had a joint roll of 300 ministers. There now are 500 Presbyterian churches in the state. The financial statement shows that the congregational expenses from 1907 to 1914 equal \$2,754,451, and contributions to boards of the church have been \$1,050,952. Temperance work received \$25,123, and the American Bible society got \$2,392, and miscellaneous expenses were \$470,983.

The Missouri synod's contributions to the board of home missions leads the five adjoining states with \$376,330, and is second to Iowa in foreign mission contributions with \$319,761. Missouri churches have had a total addition by membership in the last seven years of 138,019 members, and the state stands third in comparison with Indiana, Iowa, Michigan, Kansas and Minnesota. The contributions of the Missouri synod for benevolences in the seven years has been \$1,087,467.

On Extended Eastern Trip.

Mrs. D. J. Thomas will leave this evening for Redding, Pa., to visit her parents, Mr. and Mrs. Andrew Schaeber. She expects to remain until the first of the year.

Mr. and Mrs. Harry Findlay of Fairfax arrived in the city this morning to spend a few days visiting at the home of W. B. Porter.

## CAPTURE 2 TOWNS

RUSSIANS TAKE RANDOM AND LODZ AFTER HARD FIGHT.

## ARE AGAINST GERMANS

Polish Population Is Not Favorable to Teutons—Kaiser Reports Progress Along Yser River.

Berlin, Oct. 28.—The fighting between the Germans and allies along the Yser river in Belgium and northern France is going favorable to the Germans, it is reported.

London, Oct. 28.—Random, fifty-seven miles south of Warsaw, has been taken by the Russians after a hard struggle, according to the London Times correspondent. Large bodies of Russian cavalry have occupied Lodz, seventy-five miles southwest of Warsaw, Poland, after considerable resistance.

The Germans have definitely lost all opportunity in Poland, largely because by misjudged attitude the population is increasingly anti-German, in the opinion of army officers.

Several mines have been washed ashore along the coast of the English channel below Ostend, it is reported.

## SPEAKS ON TEMPERANCE

Anderson Craig Will Address Picking on "County Unit."

Tomorrow's Temperance Meets, Prairie Flower, by Oakley Swift, 7:30 p. m.

Prairie Flower, by Oakley Swift, 7:30 p. m.

Pleasant Grove, John H. Hubbard, 7:30 p. m.

Long Branch, Pickering "squadron," 7:30 p. m.

Myrtle Tree, Pickering "squadron," 7:30 p. m.

The only temperance or "county unit" rally announced by the Anti-Saloon League for tonight is at Picking with Anderson Craig, of this city as the principal speaker. Mrs. W. H. Burr will give a reading. The meeting will be held in the Christian church there. A quartet from both the Methodist and the Christian churches will assist in the program.

Owing to rather loose organization, the Anti-Saloon League in Nodaway county has not been enabled to do the work which it set out to do. It has been unable to arrange meetings definitely far enough in advance to have as good an attendance as is desired, and speakers for the occasion have not loomed up so well as was expected.

Many of the ministers over the county, however, are going into the fight independently of the league, among them being the Picking pastors. The Maryville pastors also are entering into the fray with a vim.

The Rev. Gilbert S. Cox spoke on temperance to an appreciative audience at the Methodist Episcopal church in Barnard last night, and also sang a solo. "County unit" meetings also were held in the Good Hope, Excelsior and Walter school houses and churches last night.

### DON'T CASH KEIFER ORDERS.

Notify Postmaster of Theft of Money Conveyers in Oklahoma Town.

According to notice received by the postoffice today from the inspector in charge at Kansas City, the postoffice is warned not to cash any money orders on the Keifer Okla., postoffice, Nos. 45504 to 45600, inclusive, which forms were stolen from that office October 14. All orders reported to date have apparently been cashed by the same man, who is generally described as follows: Age, 27 to 30 years; height, 5 feet 5 inches to 5 feet 8 inches; weight, 130 to 145 pounds; complexion, fair and clothes dark; black fedora hat, new style. He was accompanied on one occasion by two young women. The last one reported was at Nevada, where in payment of a new suit of mingled black and white, the man gave to a clothing merchant a money order on the Keifer office.

Business men here are warned not to cash any such orders and to detain anyone presenting orders described.

## THE WEATHER

Fair tonight and Thursday; no decided change in temperature.

## Rummage Sale Friday and Saturday, Nov. 6 and 7

By the Ladies Aid Society in the basement of the First Methodist Church, south entrance. A cup of coffee and sandwich free with each purchase amounting to one dollar.

NOTICE—TOGGERY SHOP WINDOWS 28-30

No man in Nodaway county has been a more active worker for the Democratic party than Arthur Robey. He has been nominated to represent the county at Jefferson City, and will serve the county's interests there with the same diligence and fidelity he has displayed in every other undertaking.

No man is better qualified to be county clerk than Fred Yeomans. He knows the work in every detail. He is honest, courteous, capable and faithful.

A large part of the business of a probate judge is to construe the laws and pass upon points of law involving the financial welfare of numerous estates and heirs at law. Naturally the man best qualified for such a place is a lawyer. The Democrats have nominated Jesse Robertson for probate judge. He is an excellent lawyer and lives at Burlington Junction.

Will G. Sawyers made an excellent record as assistant prosecuting attorney under John M. Dawson. He knows the law and he knows the duties of the office. He is capable and industrious, and no mistake will be made in voting for Sawyers.

Stone for Senator! Blair for Supreme Judge! Gass for State Superintendent of Schools! What do you think of the Democrat who won't make a special effort to vote for such a ticket?

A resolution for the day: Resolved, that I ought to be everlastingly ashamed of myself if I don't go to the polls November 3d and cast a big Democratic ballot as an evidence of my appreciation of the great service the

Wilson administration has rendered to we, the people.

## HELP COMES QUICKLY

When Hyomei is Used for Head Colds, Catarrh or Croup.

When your head is all stuffed up causing you dull headaches, difficult breathing, constant sniffing, and you feel generally miserable, there is nothing quite equal to Hyomei to give quick, effective and lasting benefit—yet perfectly harmless, simple to use and inexpensive.

To get quick and certain relief from catarrh or a cold it is most important that the medication goes directly to the inflamed tissue lining the air passages. That's the Hyomei method. Just put a few drops of antiseptic Hyomei in the inhaler that comes with every complete outfit, and breathe it—you will feel better at once. It clears the head, quickly relieves the tightness in the chest and that choked-up feeling, all disagreeable nasal discharges, watery eyes and dull headaches surely cease.

So certain is the Orear-Henry Drug Co. of the curative powers of Hyomei for catarrh, croup, asthma and similar diseases that they sell it on the "No-cure-no-pay" plan.

## SIXTY-ONE PERISH IN ROYALTON DISASTER

Mine Explosion Casualty List Is 24 Dead and 37 Missing.

Royalton, Ill., Oct. 28.—Sixty-one dead is shown on the casualty list issued by officials of the Franklin Coal and Coke company, at whose mine here nearly 300 men were entombed by a gas explosion.

The heavy decrease in the number of dead estimated earlier in the day was accounted for by the registration of stores of miners who had escaped during the day, but who were to busy assisting in the rescue work to answer to the roll call of rescuers.

Twenty minutes before the explosion 346 men went into the mine, only the last cage full of the day force remaining on the surface. Twenty-four bodies have been recovered and thirty-seven men are missing. It was conceded by officials of the mine that the thirty-seven still were entombed and would never be brought out alive.

## MURRAY AND STEEL CASE

Says Rockefeller Innocent of Charges Made by Government.

Philadelphia, Oct. 28.—John D. Rockefeller and his son, among the defendants in the government's dissolution suit against the United States Steel corporation, were defended in the federal district court and held innocent by their counsel of the charge that they were co-conspirators in the formation and management of the big steel concern.

George Welwood Murray of New York, who argued their case, suggested to the court that possibly the government appended the name Rockefeller to the list of defendants merely to "add drapery and scenery to give effect to the suit."

## QUITMAN NEWS.

Revival meetings began at Centenary church last Sunday and will continue all this week.

Sunday guests at the Ivy Tarpley home were Rev. Mr. Dewitt and son, Howard and Mr. and Mrs. W. B. McDonald and daughter.

W. M. Reed and family visited Sunday at the home of John Smith.

Miss Mable Cook of Maryville spent Sunday the guest of Miss Aldene Tarpley.

Mr. and Mrs. Charles Nicholas and children spent Sunday at the home of Mr. and Mrs. Asa Broyles.

## FROST RECORDS FOR 20 YEARS.

J. R. Brink Observes Growing Seasons and Rainfall Since 1895.

A record of the time of the last "killing" frosts of spring the first "killing" one of fall, the length between the two frosts, or the "growing" season, and the rainfall during that time, for each year since 1895, has been compiled by J. R. Brink, official weather observer for Maryville. It shows, too, that each year during the twenty years, the last freeze of spring and the first of fall occurred the same time as the frost is shown.

The "growing" season just closed is remarkable for one thing—it was the longest within the twenty years by several days, although frost has come later in the fall by about one week. The precipitation during the season also was less than usual, although during the last two months of the period it far exceeded all records.

The record follows:

Year.	Date of last killing frost in spring.	Date of first killing frost in autumn.	Length of growing season—last killing frost to first killing frost.	Precipitation during growing season.
1895.....	Apr. 3	Sep. 30	179 days	22.22
1896.....	Apr. 4	Oct. 17	195 days	32.41
1897.....	Apr. 19	Oct. 29	192 days	21.72
1898.....	Apr. 19	Oct. 17	183 days	20.37
1899.....	Apr. 9	Sep. 29	172 days	25.26
1900.....	Apr. 12	Nov. 1	201 days	25.77
1901.....	Apr. 18	Sep. 18	152 days	19.16
1902.....	Apr. 23	Oct. 14	173 days	37.33
1903.....	May 2	Oct. 18	167 days	33.97
1904.....	Apr. 21	Oct. 25	183 days	31.88
1905.....	Apr. 18	Oct. 12	186 days	25.97
1906.....	Apr. 15	Oct. 16	177 days	19.79
1907.....	May 5	Oct. 12	160 days	28.62
1908.....	Mar. 7	Sep. 26	148 days	35.16
1909.....	May 10	Oct. 15	154 days	29.16
1910.....	Apr. 25	Oct. 25	185 days	18.08
1911.....	May 2	Oct. 22	173 days	21.06
1912.....	Apr. 7	Sep. 26	171 days	17.92
1913.....	Apr. 26	Sep. 22	148 days	17.72
1914.....	Apr. 26	Oct. 26	209 days	24.01

## NODAWAY COUNTY FARMER DIES.

Nathan Hazelwood of Guilford Succumbs This Morning.

Nathan Hazelwood, a farmer living southeast of Guilford, died about 9 o'clock this morning, his death following a two weeks illness. No arrangements have yet been made for the funeral. Mr. Hazelwood is survived by his wife and seven children.

## HIGHLAND NEWS.

Mr. and Mrs. Woods of Seward, Neb., spent Tuesday at the home of Mr. and Mrs. J. C. Looker.

Will Stein and Miss Clara Stein, living east of Maryville, have returned from an eight weeks trip to Madison, Ia., their former home, and at St. Louis.

Mr. and Mrs. Thomas Cain entertained Mr. and Mrs. Earl Hefflin and daughter, Mary Hildegard, at Sunday dinner.

Mrs. V. W. Conley spent several days this week at Pickering visiting her parents, Mr. and Mrs. J. C. Lanning.

Miss Bertha Fanning has returned from a week's stay with Mr. and Mrs. Willhoite, living southwest of Maryville.

Mr. and Mrs. J. J. Lacy gave a dinner Sunday, entertaining Mr. and Mrs. Frank Hall of Bedison.

Bert Fanning of Bolekow spent Friday and Saturday visiting with his brother, Frank Fanning.

Mr. and Mrs. Harry Brunk and son, Henry, are visiting with Mr. Brunk's parents at Parnell.

Mr. and Mrs. J. J. Fink went to St. Joseph Saturday, where they will make their home.

Miss Mabel Graham of Burlington Junction was a guest of Miss Clara Stein Saturday and Sunday.

Mr. and Mrs. O. P. Fisher and children spent Sunday the guests of Mr. and Mrs. S. E. Fisher, living northwest of Maryville.

## Speaks to Normal Students.

The Rev. John H. Hubbard, pastor of the Buchanan Street Methodist church, addressed the Normal students during assembly this morning. He also gave the invocation.

## TO BEGIN SERVICES SUNDAY.

Rev. Estes to Open Regular Meetings at White Cloud Church.

The Rev. D. F. Estes of Liberty, who has been engaged as pastor of the White Cloud Baptist church, south of

the city, will begin services Sunday. The Sunday school has been reorganized and will meet at 10 o'clock. Morning worship will be held at 11 o'clock and the evening service at 7:30 on the first and third Sundays of each month.

## MEET US FACE TO FACE

## JOPLIN WOMAN IS RESTORED BY WONDERFUL STOMACH REMEDY

Mrs. Hillman Took Treatment Two Years Ago—Has Been Well Ever Since.

Mrs. Ida Hillman of Joplin suffered from stomach ailments for twelve years. She followed the advice of several expert physicians and took a great deal of medicine. Two years ago she discovered Mayr's Wonderful Stomach Remedy—and she has been well since. Mrs. Hillman took but a few doses. She writes:

"I suffered with stomach trouble almost twelve years. I tried many doctors, but received no help until, while in Cleveland, Ohio, I read your notice in a paper and concluded to try Mayr's Wonderful Stomach Remedy. Since then I have felt like a new woman."

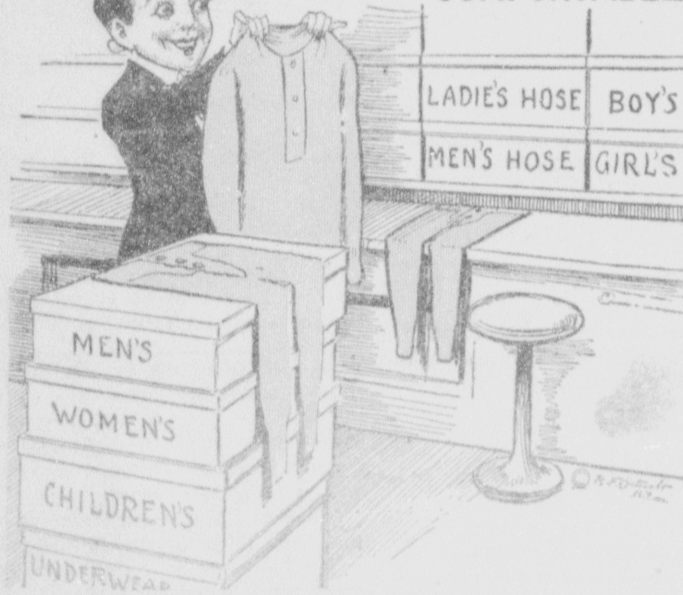

"I took only four bottles, but that was all that was needed to make me well. It has been almost two years,

and I have had no return of my trouble."

Similar accounts of the remarkable results of the use of Mayr's Wonderful Stomach Remedy came from all parts of the country. It clears the digestive tract of mucoid accretions and poisonous matter. It brings swift relief to sufferers from stomach ailments, liver and intestinal disorders. Many declare it has saved them from operations; many are sure it has saved their lives.

We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy—one dose will convince you. This is the medicine so many of our people have been taking with surprising results. The most thorough system cleanser ever sold. Mayr's Wonderful Stomach Remedy is now sold here by Pearson's Pharmacy, and druggists everywhere.

## UNDERGARMENTS—STYLISH AND COMFORTABLE

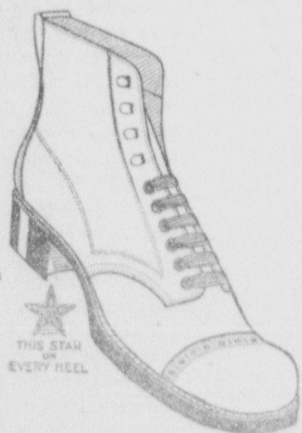

We invite those who are particular about their undergarments to come, see ours. Our underwear for men is comfortable; it will be a delight to wear it. Our garments are strongly made—the buttons are sewed on tight.

We depend upon doing a big volume of business for our success. To do the big volume we make little prices on everything we sell, come, investigate.

If you buy union suits, buy Munsing. Munsing union suits are g'v'e fitting—and elastic giving to every motion of the body.

## No Alum— No Dyspepsia

Look to the food. Eat heartily of hot breads, hot biscuit, hot cakes, made light and tasty with Royal Baking Powder, and snap your fingers at dyspepsia. It is the tasty, appetizing food that aids digestion.

There is a quality in Royal Baking Powder coming from the purity, wholesomeness and fitness of its ingredients, which promotes digestion. Food raised by it will not distress. This peculiarity of Royal has been noted by hygienists and physicians, and they are accordingly earnest in its praise, especially recommending it in the preparation of food for those of delicate digestion.

## GERMAN DELAY SAVES WARSAW

Night Attack Postponed Until Opportunity Lost.

APPEARANCE WAS UNEXPECTED

Whole Affair, Including Lightning Advance and Admirable Retreat, Puzzles Germans—Delay Permits Muscovite Forces to Save City.

Petrograd, Oct. 28.—A report received here from Warsaw, giving a detailed history of the attempted German advance in Russian Poland, says that the Russian generals are at a loss to explain what they call a German error in delaying a night attack until the opportunity was lost.

At the same time, however, the Russian generals express admiration for General von Morgen's lightning advance of five German army corps over the difficult swampy region approaching Warsaw from the southwest. The appearance of the Germans in this quarter was most unexpected.

The Germans made a grave error, it is asserted, in not pursuing the advantage derived from their unexpected advance, which would have enabled them to approach within eight miles of Warsaw without their presence being known.

For unknown reasons the Germans suddenly decided to delay the attack until morning, which allowed the Russian reinforcements to protect the city adequately. Papers found in the possession of German officers indicate that the general plan was to attack Warsaw that night. One explanation for the change in the plan is that the Germans failed to obtain the assistance of the Polish element upon which they had counted.

The Russian generals also admit the Germans' abrupt extrication when they found themselves outflanked, their retreat being so complete and precipitate that the Russians were unable to overtake and engage the rear guard in action for several miles. The whole affair, including the whirlwind advance and retreat, at present is a puzzle to the Russians.

The inhabitants of Warsaw say that the dropping of German bombs, which never were very damaging, has ceased.

### NEW ZEPPELIN LAUNCHED

"To London," Is Cheer of Kaiser's Men as It Flies Away.

London, Oct. 28.—A dispatch from Geneva, Switzerland, gives this account of the launching of a new Zeppelin:

"The most powerful Zeppelin yet made has been launched at Friedrichshafen, on Lake Constance. Without preliminary trials it flew away northward at great speed, cheered by the soldiers, who shouted, 'To London.' The Zeppelin was present at the launching."

"The ship has a special armored compartment for bombs near the propeller and a big gun is mounted in front to destroy aeroplanes. A second airship of a similar type will be ready by the end of October."

### FAIL TO FIND ANY SPIES

Mauretania Passengers Undergo Examination at Liverpool.

Liverpool, Oct. 28.—Having received information that twenty-two German spies were on board the Cunard line steamer Mauretania, with fraudulent passports, several officers of the home office subjected the passengers to an examination on their arrival from New York. The officers were assisted by a corps of interpreters, who devoted most of their time to questioning French and Scandinavian maids on American passengers.

No spies were found on board the steamer. The only victim of the inquiry was the agent of an American arms factory, who had with him samples of American rifles. Nobody escaped examination, not even Timothy Healy, the Irish member of parliament.

### War Causes Suffering In Jerusalem.

New York, Oct. 28.—Samuel Edelman, United States vice consul at Jerusalem, was one of the Americans who returned on the steamer Ancon from Genoa and Almeria. He said that just before he left his post the Jews of the city received \$40,000 from Jacob H. Schiff to be used for charitable bureaus. Because of depression resulting from the war, Mr. Edelman said, there is far more than the usual amount of distress in and about Jerusalem.

### Sixtieth Casualty List For Prussia.

Berlin, Oct. 28.—The sixtieth Prussian casualty list, with accompanying Saxon and Bavarian lists, was published. The list is headed with the name of Lieutenant General Frederick of Saxe-Meiningen, who was killed in battle near Montigny. Dispatches from the south report that the Germans have repulsed the French attacks in southern Vosges.

### APPLES.

A car of first class sprayed stuff free from worms. Samples first door south of Post Office. Delivered by bushel or barrel in city.

## Read This Before You Vote

You are entitled to know the facts regarding proposition No. 9, so that you may vote intelligently next Tuesday.

Proposition No. 9 concerns the law requiring an extra trainman on freight trains, of forty cars or over, and on passenger trains of six cars or over.

At present, through and local freights are manned by an engineer, a fireman, a conductor and two trainmen, one stationed on the forward half of the train—the other on the rear half. In case of unexpected stops one of these trainmen goes forward of the train to act as a flagman, the other goes to the rear for the same purpose.

These men do not apply brakes to a moving train. All trains, regardless of length or number of cars, are controlled by air brakes operated from either the engine or caboose of a freight, and from the engine or any car of a passenger.

The work of these two trainmen is no harder, or more dangerous on a long train than on a short one. As a matter of fact, from all statistics available, there have actually been fewer accidents on long trains than on short ones.

There is absolutely no necessary or useful work a third trainman could do. It is not even claimed that he is of any use on a passenger train, yet the law, if passed, will require him to be there.

All trains are carefully inspected

by expert inspectors before they start out on their run, and at numerous points along the line. An extra man on the train would not add any safeguard to this inspection.

An extra man would in no way lessen the number of accidents to trainmen, as seventy-four per cent of all accidents are due to the employees own carelessness. The more employees there are the greater the chance for injury.

If an extra trainman is necessary, the Public Service Commission has full power to enforce his employment. Why not leave the matter to them? They are intelligent fair-minded men who are paid by the State to investigate such matters, and enforce their rulings.

This same law has been defeated in Massachusetts, New York, Ohio, Oklahoma, Louisiana and Texas as either unjust or unnecessary. Why should Missouri find it otherwise?

To pass this law would add \$500,000 a year additional useless burden on the railroads, which in the end must be borne by the general public.

If you were asked to vote an appropriation to support in idleness or in useless labor, some 500 able-bodied men, your vote would be overwhelmingly No. Gentlemen, that's proposition No. 9. Will you Scratch YES and vote NO?
